CITY OF BYRAM AGENDA ITEM FACT SHEET

BOARD MEETING DATE: August 11, 2025 AGENDA ITEM NO: 3.b

FOR: Status update on the 2023 and 2024 audits requested by Alderman Erma Johnson

INTRODUCED BY: Alderman Erma Johnson

NOTES:

The 2023 audit was late being started due to the previously contracted auditors not being responsive to our requests. An agreement with new auditors Carr, Riggs & Ingram (CRI) for the 2023 audit was approved by the Board on February 22, 2024. That audit is almost complete and CRI will begin working on the 2024 audit, which was approved by the Board on October 24, 2024.

Julia,

I am hoping to complete the 2023 audit by the end of this month and begin the 2024 audit immediately after. Based on the work we have done on 2023, the 2024 audit should move along pretty fast and it could be possible to complete that audit before the end of the calendar year. We have time on our audit schedule in September for the 2024 audit already and can add more people and time as needed. Let me know if you have any further questions.

Thanks,
Greg
